

# Oak Park Elementary School District 97

260 Madison Oak Park Illinois 60302 ph: 708.524.3000 fax: 708.524.3019 www.op97.org

Dear District 97 Parents,

Each year, the student fee structure is reviewed to determine whether the charges are aligned with the associated expense. The District 97 Board of Education has established the following fees for the 2023-2024 school year.

Early Childhood Program (Half Day at Whittier)	\$29.00
Elementary Grades K-5	\$180.00
Middle School at Brooks and Julian	\$225.00

Collecting fees for instructional materials and technology is a necessary component for maintaining the educational programs we have in place for your students. 2023-2024 Student Fees are due in full by September 30, 2023. If you have difficulty conforming to this request, please contact your child's school front office staff to make payment arrangements.

Online payments may be made on the District's webpage at <https://www.op97.org> by selecting the "Payments" tab in the upper right-hand corner and then scrolling down to "RevTrak/Webstore". A valid email address is needed to establish your account so that you can receive immediate order confirmations and track all past orders associated with your email.

Online payments require your child's Student ID number, which will be included in a separate attachment to this email. You will receive one email per child. Please make a note of this Student ID number for future use since it will remain the same throughout your student's enrollment in District 97.

The preferred method of payment is online, but payment can also be dropped off or mailed to your student's school. We ask that you attach a Fee Form or copy of an invoice with all non-online payments. Fee Forms are available online, in the vestibule of the District Office, and in all school front offices.

If you have any further questions regarding student fees, please contact your child's school or the Business Office at 708.524.7625.

Sincerely,

Sheila Johnson  
Assistant Superintendent of Finance and Operations
